Your tourism and activities guide

THE NORTHERN RIVERS & TENTERFIELD

Tenterfield

The Tenterfield Food and Wine Festival is held over the first weekend in November.

Activities commence on Friday evening and you can participate in one of the events running in conjunction with the festival or do your own thing at any of the fine eateries around town.

Saturday is your opportunity to be tantalized by the Tastes of Tenterfield when sampling the nine wineries and eight restaurants, a fabulous opportunity to immerse yourself in the vast array of flavours that come from the birthplace of our nation. Saturday night there are several functions or use the day to find your favourite restaurant and enjoy what their full menu has on offer by night.

Why not have breakfast on Sunday while watching the "Wearable Art" fashion parade and then head off to the Show and Shine Car Show, a matinee session of the play or visit your favourite vineyard before the trip home! You can check it out at www.tenterfieldfoodandwine.org.au. The town of Tenterfield has been engraved forever in our national psyche as the home of the

Tenterfield saddler in Peter Allen's wonderful song. Tenterfield is a great place to immerse yourself in Australian history, culture, landscape and literature.

There is still a saddle shop in town, and many historical buildings, but there's so much more to discover about Tenterfield and its history.

Tenterfield is surrounded by the mountains of the Bald Rock National Park, a popular place for sightseeing, bushwalking and climbing Bald Rock itself, the largest granite rock in Australia.

Vineyards are the latest industry to come to Tenterfield, with cellar door tastings, vineyard tours and restaurants to explore.

Other must-see attractions include the local history collection at the Centenary Cottage Museum, with its memorial to Harry Chauvel who served with the Light Horse Regiment in the Boer War, and the Railway Museum.

In April every year, timed to coincide with the autumn backdrop, Tenterfield hosts 'Oracles of the Bush,' a four day celebration of Australian bush culture through verse, music and theatre. After a day exploring the area and fascinating shops like Winter and Garnetta, there are great motels like the Henry Parkes Best

Western to rest in and you can try some local hospitality at the local Tenterfield Bowling Club and Motor Inn.

A visit to Tenterfield will enrich the visitor's sense of history and appreciation of its natural bush surrounds.

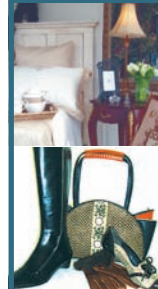

Country Hospitality in Tenterfield.

You'll enjoy real country hospitality when you stay in one of our 16 modern units. Our restaurant and bar are open every night with Keno and TAB facilities. Stay for 3 nights or more for \$85 per double/ twin including light breakfast. Tenterfield Bowling Club and Motor Inn.

Evans Head

The coastal town of Evans Head is well-known for its great fishing, unspoilt beaches and the estuary is perfect for canoeing and boating.

The Evans River estuary provides safe shallow, sandy beaches for children to swim and pleasant shady picnic spots to enjoy the local specialty of fish and chips by the river.

For serious nature lovers there is bird watching and bushwalking in the nearby Bundjalung and Broadwater National Parks. The walks take in littoral rainforest, heath land vegetation and unspoilt beaches.

The Goanna Headland lookout is a great place to watch the annual migration of humpback whales and is a mythical

site of great importance to the Bundjalung people, who have occupied the area for thousands of years.

The surf break below the headland is a favourite for the serious surfer.

Visit the unique Paperbark Gallery and after a day of holiday making you can enjoy some local hospitality at the Evans Head Bowling Club. The Pacific Motor Inn is a great place to stay at Evans. There is also the nearby Woodburn Motel while you check out the area.

The main beach (north of the breakwater) is patrolled by lifesavers in the holiday seasons and on weekends.

Visitors to Evans head must try the fresh local prawns and seafood, which are caught by the resident fishing fleet daily. Holiday makers can also treat themselves to fresh tuna,

Ballina, Lennox Head, Mullumbimby and Lismore

Northern Rivers

The stunning landscapes of the Northern Rivers combined with the friendliness of its residents makes the region irresistible to visitors.

Whether you want the adventure of exploring many national parks including the World Heritage listed Mt Warning the highest mountain in Northern NSW or sipping fine local coffee in one of the numerous cafes in picturesque villages, there really is something for everyone.

The scenic country roads wind around green farm fields, soft hills and a stretching coastline with bays and rock pools. Minyon Falls is only one of many fantastic natural features in the region. You'll want to slow down just to take it all in.

Don't miss the unique feel of the coastal village Lennox Head, home to one of the world's great surf breaks at the southern end of the Seven Mile Beach. The Point is now an Australian Surfing Reserve. Lake Ainsworth a natural tea tree lake is perfect for canoeing and catamarans and after a hard day holidaying, Lennox offers superb dining with its award winning eateries and you might even see a few whales and calves at the Pat Moreton Lookout.

There are fun activities for the family too, like Macadamia Castle where the kids can ride the train, feed the birds and pat the kangaroos. You can eat macadamia nuts by the bucket loads there.

The Northern Rivers region is a diverse landscape from the lush sub tropical rainforests around Mullumbimby to the cattle and grain farms in Kyogle and Casino. The Richmond River at Ballina has excellent fishing spots. Both beach and estuary are very popular. Rivafest the popular Ballina festival held at Fawcett

Park the last Sunday in November is also a fabulous riverside event not to be missed! More information on www.ballinarivafest.com.au

A myriad of local markets await your exploration and there is always a special celebration happening somewhere in the Northern Rivers. Events like the Billycart Derby in Bangalow and the Lantern Parade in Lismore are seriously super fun for all the family. Visit one of the art galleries or drive to Rock Valley or Empire Vale to see Australia's smallest Post Offices.

While you are travelling around the area ask one of the friendly locals for their favourite spot. They might tell you about one of the secret waterholes or an out-of-the-way special place that not everyone knows about where you can see green tree frogs and baby koalas.

Exploring the Northern Rivers is a delight and the people that live there will tell you it is paradise.... after your visit you'll think so too!

Full of surprises for all ages.

A popular destination with locals and tourists for over 35 years, the Macadamia Castle is a full day's entertainment and education with an Animal Park, Café, Nut Bar, Find Food section and Retail store. See native birds, animals and reptiles. Play mini golf, enjoy a delicious meal or snack in the café or relax with a coffee picked from the finest locally grown beans. We also stock a large range of local food products for you to take home including olives, muesli, coffee, sauces, jams and relishes. Macadamia Castle 10 Minutes South of Byron Bay on the Pacific Highway
Open daily 8am to 5pm, except Christmas Day. | **Phone** 6687 8432 | www.macadamiacastle.com.au
